|---|--|---------|
| What are the key features of this product? | <p>This is a fixed rate mortgage product which means monthly payments will not go up or down during the term of the fixed period. This is different to a discount rate product. The rate of interest is not linked to the Society's Standard Variable Rate (SVR) for mortgages. During the first 3 years the interest rate charged will be fixed at 6.29%.</p> <p>Three months before this product ends, we will contact you with the options available. If you do nothing at the end of the product period, you will move to the Society's SVR which may mean your payments increase.</p> <p>This product is available on:</p> <ul style="list-style-type: none">• A Capital & Interest repayment basis. This means your monthly repayments will contribute to paying back the initial loan as well as the monthly interest on the remaining balance. Over time, this will mean the amount owed will reduce and the interest will also reduce.• An Interest-Only repayment basis. This means that your monthly repayments will only pay back the interest on your initial loan amount. The capital balance will not reduce. You will need to agree with us up front, a suitable method of repaying the initial loan at the end of the mortgage term. <p>This product is available for properties in England and Wales.</p> <p>There is no fee payable for setting up this mortgage.</p> <p>This product is suitable for existing loans of at least £50,000 and up to £500,000 outstanding at the date of the product switch.</p> <p>This product is suitable for existing loans with a term of at least 3 years remaining at the date of the product switch.</p> <p>This product does not require a revaluation of your property or a credit or affordability assessment to be completed.</p> <p>If using a limited company, it must be a Special Purpose Vehicle Limited Company registered in England & Wales.</p> | |
| Who is this product designed for? | <p>This product is designed for customers with a holiday let mortgage who:</p> <ul style="list-style-type: none">• want to switch to a new mortgage product.• have at least 25% equity in their property.• are happy to fix their payments now and have certainty that payments will not change until the end of the fixed period.• do not intend to make overpayments of more than 10% in any of the first 3 years. | |

Representative Example

A mortgage of £238,830.00 payable over 20 years, on an interest-only repayment basis, initially on a fixed rate of 6.29% until 30.11.2027, and then on our Standard Variable Rate, currently 8.10%, for the remaining 17 years. The initial term would require 41 monthly payments of £1,251.87 followed by 199 monthly payments of £1,612.10.

The total amount payable would be £611,064.57, made up of the loan amount (£238,830.00), plus interest (£372,134.57), and a Mortgage Exit Fee (£100).

The overall cost for comparison is 7.80% APRC.

This information may not be representative of your personal circumstances and your payments may differ from this. Representative data as of 1st March 2024.

- * Once the product matures, the interest rate will revert to our Standard Variable Rate (SVR) unless a new product is taken out. Our SVR is currently 8.10%. This is set by us and may go up or down in the future.
- ** The Overall Cost for Comparison is given as the Annual Percentage Rate of Charge (APRC) and includes all charges incurred relating to the mortgage/product. The APRC enables you to compare the cost of different products.
- *** The LTV is calculated by us, using your current mortgage balance and our current assessed valuation of your property.
